

Emergency Medical Services Chiefs of Canada Conference

Lake Louise, Alberta

June 7-9, 2010

A National Conversation

December 15, 2009

RE: EMSCC 2010 Conference Sponsorship

We invite your organization to take advantage of a corporate sponsorship opportunity for the Emergency Medical Services Chiefs of Canada (EMSCC) 2010 Conference June 7-9. The theme of this year's conference is, "*A National Conversation*".

EMS Chiefs, Directors and leaders will be in attendance, representing over 200 Canadian ambulance services from coast to coast, responsible for providing out of hospital medical care to over 90% of the Canadian population. Over three days, these leading decision makers of EMS care in Canada will participate in various educational and social activities at the beautiful Chateau Lake Louise in Alberta's Banff National Park. Our goal is to engage the delegates in a series of healthy debates, facilitated conversations and targeted dialogue in an attempt to build on the national direction for our profession. The program also allows time for delegates to network and enjoy their mountain surroundings, while exposing them to the most modern products and services available from your organization.

By tangibly supporting this one of a kind event, your organization will have a presence and gain visibility with this unique audience. All event sponsors will be acknowledged in the conference. For a list of sponsorship levels and opportunities, please refer to the enclosed package.

For more information, please contact Mike Plato at (403) 955-9661, mike.plato@albertahealthservices.ca at your earliest convenience. Sponsorship opportunities are expected to be secured quickly, so act now to avoid disappointment.

Thank you for considering this unique opportunity.

Kind regards,

Mike Plato
