What Will We Be Discussing?

Physician Assistants are taking a more active role in the Canadian medical system. During this presentation you will be introduced to the role and philosophy of the Physician Assistant, their education, pre-requisites, what to expect during the program, and job prospects.

E.M.S.C.C. Membership Services Educational Teleconference

Objectives of this session include:

- **Develop further understanding of Physician Assistant, their role and philosophy**
- **Describe what to expect during the program: pre-requisites, program duration and content**
- **Review the various job prospects and speak to future opportunities for Physician Assistants**

[Who will be Speaking?](#)

Ian Jones PA-C, MPAS is the current President of the CAPA with 14 years of experience as a PA in the United States and Canada, with a background of 17 years past experience as a Firefighter-Paramedic. Ian is on Faculty at the University of Manitoba and works in Neurosurgery at the Health Sciences in Winnipeg.

[How Does this Session Relate to Advancing and Aligning EMS in Canada and Your Service's Future?](#)

The Physician Assistant program is an alternate career path option for EMS providers, but it is so much more. This session will provide the participant an opportunity to discover how the Physician Assistant program can advance EMS in Canada.
