

Making Quality Your Priority

ACCREDITATION CANADA CONFERENCE

Improving Emergency Medical Services Through Accreditation

Delta Toronto Airport West – TORONTO, ON

September 16, 2010

WHO

This conference will be of particular interest to EMS professionals including leadership, managers and front line staff from:

- Ambulance Services
- Medical Transport Services
- Communication & Dispatch Services

HOW

To register, please visit Accreditation Canada's website at www.accreditation.ca/educational-resources or contact learning@accreditation.ca.

Early bird registration until July 30, 2010

Registration closes September 9, 2010

WHAT

This conference will provide you with tools to improve your services through accreditation. You will have the opportunity to interact with other EMS professionals across Canada in a dynamic knowledge exchange environment.

WHY

The new Accreditation Canada EMS standards were developed in response to an expressed need by health service organizations to assess themselves against national standards. Accreditation Canada provides organizations with an external peer review process to assess and improve their services.

COST

\$615 CDN

10% off for early bird registration or groups of four or more participants from the same organization.
